

LIPITOR
(gen. Atorvastatin)

\$305.55
at one pharmacy...

\$13.31
at another!

Did you know ...

4 in every 10 prescriptions are not collected at the pharmacy?

Patients THINK they are too expensive.

Prices vary significantly between pharmacies?

Patients don't know WHERE to get the best price.

FREE to Patients & Providers

Our powerful App puts savings in the palms of your patients' hands

... helping them find the cheapest price for their medications while they're in your exam or waiting rooms.

It is simple to get started...

- 1 **Display posters** (available on Provider Portal)
- 2 **Inform your patients** about the App
- 3 **Pre-Register for analytics** (Provider Portal)

To download the App, search for "Henry Schein Rx"
