Catalyst-Consultants.com

*Why risk costly delays or mistakes?
Catalyst Consulting takes the burden
off you and your staff so you can focus
on patient care.*

Catalyst has the expertise and experience to efficiently and accurately gain credentialing for your providers. This means that you will be able to see and schedule patients and begin receiving reimbursements sooner, without requiring an extensive time commitment on your part.

Catalyst employs a team of specialists with the knowledge, skills, and resources needed to effectively negotiate the complicated contracting and credentialing process on your behalf with all of the major insurance carriers. This means you can rest assured that you're establishing a strong foundation for your business, and you will be paid for your services.

Making sure that you are optimizing resources and being paid appropriately is the only way to survive. Contracts are the "backbone" of your practice and the way you get compensated for your time.

Trust the experts with this vital solution.
