Do you **own** your practices' **real estate**?

Commercial Real Estate Loans

Starting your own medical practice or opening a satellite office can be **one of the most pivotal moments** in any medical professional's career. The decision, if you should own the commercial real estate for your office, can be part of that critical decision.

Henry Schein Financial Services offers competitive commercial **real estate loan programs specifically for doctors and medical professionals**, and offers:

- Up to 100% financing
- Conventional & SBA products
- Flexible fixed terms

Refinance your practice debt and **improve your cash flow**

Debt Refinancing & Consolidation¹

Refinancing debt can help you **save thousands of dollars throughout a loan's lifetime, lower your monthly payment, and open up cash flow for other practice needs.** Consolidating business debt with a lower-interest business loan can combine **multiple debts into a single monthly payment, and shorten your repayment period.**

Email **HSFS@henryschein.com** for more information.

A loan that can be used **for any business expense**

Working Capital Loans¹

Find the right working capital loan for your practice, and use the funds to **invest in your future or to meet your short-term obligations.**

Henry Schein Financial Services can deliver a customized financing solution in **as little as three days** without the hassles, waiting, and red-tape of a traditional lender. These working capital loans often require **no personal collateral, offer flexible use of funds, and do not appear on your personal credit report.**
