

UPGRADE YOUR PRACTICE'S PAYMENT PROCESSING + RECEIVE A COMPLIMENTARY PAYMENT DEVICE!*

Now is an ideal time to upgrade your practice's payment processing to reduce expenses, become more efficient, and better adapt to patients changing needs. Henry Schein Financial Services (HSFS) has partnered with Worldpay from FIS to offer secure payments technology, highly competitive rates, and proven reliability. With a payment processing solution through Worldpay, you can potentially save on your credit card processing, while streamlining the process for patients and staff.

Upgrade your payment processing to:

Reduce your expenses

- With our **Complimentary Rate Analysis**, we will help you understand your overall costs and opportunities to save on your credit card expenses and processing rates.

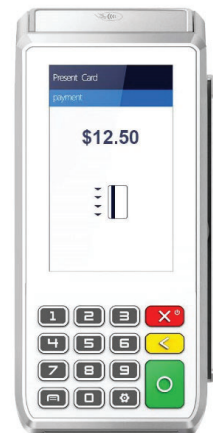

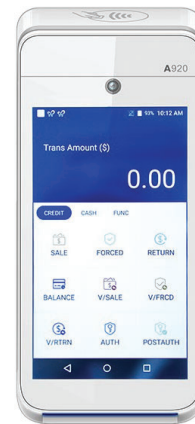

Improve your efficiency

- With **Electronic Invoicing and Billing**, reduce your paper invoicing costs and accelerate payment collection. Easily send invoices and payment reminders via email or text message.
- Simplify and streamline payments with the ability to **schedule recurring payments**.

Better adapt for today and the future

- **Securely accept EMV and contactless payments** that customers are coming to expect, like Apple Pay[®] and Google Pay[™].
- **Be informed** of when patient credit cards that are on file are about to expire and keep accounts up to date.
