

SEE RESULTS IMMEDIATELY

“ Yosi has streamlined costs, time and reduced the amount of data-entry error. I highly recommend Yosi to others that want to streamline costs and time in the practice setting. The results were effective immediately!!!”

Ana Couto, MBA, Practice Founder
Gotham Footcare

INTEGRATE WITH YOUR EMR

“ The Yosi team is extraordinarily responsive and allowed us to customize every aspect of our patient engagement, including SMS content, timing of reminders and patient registration forms. They worked rapidly to establish an interface with our EHR.”

Dr. Joshua Merok, M.D.
Michigan Avenue Primary Care

REDUCE NO-SHOWS

“ After more than a month using Yosi our no-show rate has decreased 75% and our confirmation rate is up to over 60%. We went from having 10 no-shows a week to 0-2. It is saving us thousands of dollars a day.”

Dr. Clifford Bassett, M.D.
Allergy & Asthma Care of New York

THE BEST INTAKE SOLUTION ON THE MARKET.

Yosi eliminates waiting room time, increases patient satisfaction and your practice revenues by leveraging patient behavior with smartphones. Yosi is a smartphone enabled, pre-arrival focused patient registration and payment solution.

HOW DOES IT WORK?

1

Appointment Scheduled in EMR

2

Patient instantly receives Text Message & Email

3

Patient registers/completes intake, pays Co-Pay/Past Due Balance

4

All patient data, payments and documents integrated into EMR

Say Goodbye to Kiosks, Tablets and Clipboards clogging your waiting room!
