

Pharmaceutical Recovery Services

DEA compliant recovery and processing solutions for pharmaceuticals including Schedule II-V controlled substances

Pharmaceutical Recovery Services

PHARMACEUTICAL MAILBACK SOLUTIONS, INCLUDING CONTROLLED SUBSTANCES

HealthFirst Environmental has partnered with Reliable Pharmaceutical (RP) Returns to provide you with a smart, compliant, and economical way to manage your non-controlled and Schedule II-V controlled substances using DEA compliant mailback services - no contracts required!

This service includes online access to a proprietary Client Returns Portal interface, which allows you to prepare and print DEA required return manifests prior to return shipment. All DEA paperwork and processing services is conveniently provided by RP Returns.

DEA DOCUMENTATION, RETURN BOX AND SHIPPING SERVICES ALL INCLUDED

This service allows you to choose one of our three convenient box sizes based on the number of pharmaceuticals being returned for processing. Once you complete and print your DEA paperwork, place all paperwork along with your pharmaceutical returns into the box and give the box to UPS for return shipment and processing. Return shipping and processing services are all included in one low price.

Pharmaceutical Recovery Services
